The New Testament has 260 chapters, so if you read an average of three chapters of it a day, you can easily finish it within three months, even if you miss a few days. The suggested reading schedule below can be a helpful tool to help you to reach your goal of reading the entire New Testament in 90 days. If you miss a day or don't finish the number of chapters that you planned for a particular day, don't get discouraged. Just keep going! It may take you a little longer than 90 days, but it will be better for you to finish a little later than you planned than not to finish at all. May God bless you as you read His word and apply it to your life!
